FINANCIAL SECRETARIAT.

Dated 26th August 1954.

No. Fl. (B) 8097—C.R. 11-54-1. In exercise of the powers conferred by clause (2) of Article 283 of the Constitution of India, the Rajpramukh of Mysore is pleased to make the following further amendment to the Mysore Financial Code, Volume I, namely,—

In the said Financial Code, in Article 21, the following sentence shall be added at the end:

"Heads of Departments are also authorised to sanction on their own authority, payment of claims on account of contingent charges (including Supplies and Services) pertaining to the month of March within three months of their becoming due, even though the liability in respect of such claims is carried forward as a charge on the grant for the subsequent year."

JAYA CHAMARAJA WADIYAR,
RAJPRAMUKH OF MYSORE.

By Order and in the name of the Rajpramukh,

4412

Dated 26th August 1954.

No. Fl (B) 8117-9116—Bud. 24-54-1. It has been brought to notice of Government that the Monthly Reconciliation of expenditure is not being properly done by the Heads of Departments and Controlling Officers as expected of them in accordance with Government Order No. Fl (B) 2508-87—Bud. 8-52-2, dated the 17th June 1952 and that as a consequence Reappropriations and Surrenders proposed by them will not be correct in some cases and result in either excesses or savings in the appropriations. These differences give rise to comments in the Audit and Appropriation Accounts by the Accountant General, Mysore, Bangalore.

2. It is once again impressed on all the Heads of Departments and Controlling Officers that they should watch the progress of expenditure and effect reconciliation every month as required in Government Order referred to above.

3. It is also necessary that the Heads of Departments and Controlling Officers obtain from their subordinate officers a Monthly Progress Liability statement giving the position of outstanding liabilities up to the month to which the statement relates in order to help the controlling authority in exercising effective control over surrenders of grants, reappropriation of funds and also for the preparation of correct Budget Estimates of the following year.

4. The statement should be in the following form and should be obtained from the month of October in each Financial Year.

FORM.

(1)	(2)	(3)
Sub-head	Amount of Liability	Remarks (showing detailed particulars of the liability and the probable month in which the expenditure will be accounted for in the departmental Expenditure Statement).
